**II. INFORMATION REGARDING PLANS TO INCREASE CAPITAL WITHOUT PRE-EMPTIVE RIGHTS**

**A. Reasons and Objectives of PMTHMETD I**

In order to develop the Company's business activities and pursue potential expansion opportunities of the Company's group along the strategic mineral and raw material value chain for electric vehicle batteries, the Company may need to strengthen its capital structure. Therefore, the Company intends to issue a maximum of 10,799,541,990 shares or a maximum of 10% (ten percent) of the number of shares that have been issued and fully paid up or the paid up capital stated in the amendment to the articles of association which has been notified and accepted by the authorized Minister on the date of the EGMS announcement ("**New Shares**") through PMTHMETD I in accordance with the approval from the independent shareholders and shareholders who are not affiliated with the Company, members of the board of directors, members of the board of commissioners, major shareholder, or controlling shareholders approval at the EGMS. Through PMTHMETD I, it is expected that the Company will have funding alternatives for the benefit of the Company. There are no prior approval/reporting from/to creditors of the Company/government agencies or other third parties that required to be obtained or made by the Company in connection with PMTHMETD I.

**B. Indicative Period of PMTHMETD I**

In accordance with the provisions of Article 8C paragraph (1) letter a POJK No. 14/2019, PMTHMETD I will be conducted within 2 (two) years since the EGMS approving PMTHMETD I.

The implementation of PMTHMETD I will be subject to and will be conducted if it has obtained approval from the Independent Shareholders in EGMS of the Company with due observation to the prevailing laws and regulations in Indonesia.

### **C. Use of Proceeds Plan from PMTHMETD I**

In order to develop the Company's business activities and pursue potential expansion opportunities, the Company may need to strengthen its capital structure. The funds obtained from the PMTHMETD I will be used by the Company as follows:

- a. in the amount of 15% (fifteen percent) of the total fund for the working capital needs of the Company and Company's group including but not limited to employees cost, professional fees, tax expenses and finance costs; and/or
- b. business development of the Company and Company's group, either in the form of capital expenditure and/or purchase of shares and/or purchase of assets and/or subscription of shares and/or provision of loan as well as other appropriate transaction methods to one or more companies with appropriate industries or related to and/or support the business activities of the Company and Company's group.

The above percentage may change according to the needs of the Company and the Company's group. For the avoidance of doubt, the Company's group means a company in which (i) the Company owns more than 50% of the voting shares, either directly or indirectly; or (ii) the Company owns less than 50% of the voting shares, either directly or indirectly; or (iii) if the Company owns 50% or less of the voting shares, the Company has the ability to control the company, so that its financial statements are consolidated with the Company in accordance with applicable accounting standard in Indonesia.

The Company will comply with and carry out the consequences stipulated in the Capital Market Laws and Regulation if the use of proceeds plans from PMTHMETD I is qualified as an Affiliate Transaction, Conflict of Interest Transaction, and/or Material Transaction.

The Company also acknowledges the provisions that applicable in Indonesia at the time of implementing PMTHMETD I, including but not limited to the Decree of the Directors of PT Bursa Efek Indonesia No. Kep-00101/BEI/12-2021 regarding Amendment to Regulation Number I-A regarding the Listing of Shares and Equity Securities Other than Shares Issued by Listed Companies, Law No. 40 of 2007 regarding Limited Liability Companies (as amended from time to time).

### **D. Issuance of New Shares and Price of New Shares**

In accordance with the POJK No. 14/2019, PMTHMETD I may only be conducted provided that the Company has obtained approval from the independent shareholders and shareholders who are not affiliated with the Company, members of the board of directors, members of the board of commissioners, major shareholder, or controlling shareholders of the Company through EGMS. The EGMS of the Company will be conducted by complying to the provisions governed in the OJK Regulation No. 15/POJK.04/2020 regarding Plan and Implementation of General Meeting of Shareholders of the Public Companies. The attendance quorum and decision quorum of the General Meeting of Shareholders ("GMS") shall be as follows:

- a. The GMS may be held if the GMS is attended by more than 1/2 (one-half) of the total shares with valid voting rights owned by the independent shareholders and shareholders who are not affiliated with the Company, members of the board of directors, members of the board of commissioners, major shareholder, or controlling shareholders.
- b. The decision of the GMS as referred to in point a is valid if it is approved by more than 1/2 (one-half) of the total shares with valid voting rights owned by the independent shareholders and shareholders who are not affiliated with the Company, members of the board of directors, members of the board of commissioners, major shareholder, or controlling shareholders.
- c. In the event that the quorum as referred to in point a is not reached, the second GMS may be held if the GMS is attended by more than 1/2 (one-half) of the total shares with valid voting rights owned by the independent shareholders and shareholders who are not affiliated with the Company, members of the board of directors, members of the board of commissioners, major shareholder, or controlling shareholders.
- d. The decision of the second GMS is valid if it is approved by more than 1/2 (one-half) of the total shares with valid voting rights owned by the independent shareholders and shareholders

who are not affiliated with the Company, members of the board of directors, members of the board of commissioners, major shareholder, or controlling shareholders who are present at the second GMS.

- e. In the event that the quorum of attendance at the second GMS as referred to in point c is not reached, the third GMS may be held provided that the third GMS is valid and entitled to make decisions if attended by the independent shareholders and shareholders who are not affiliated with the Company, members of the board of directors, members of the board of commissioners, major shareholder, or controlling shareholders of shares with valid voting rights, in a quorum of attendance determined by the OJK at the request of the Company.
- f. The decision of the third GMS is valid if it is approved by the independent shareholders and shareholders who are not affiliated with the Company, members of the board of directors, members of the board of commissioners, major shareholder, or controlling shareholders representing more than 50% (fifty percent) of the shares owned by the independent shareholders and shareholders who are not affiliated with the Company, members of the board of directors, members of the board of commissioners, major shareholder, or controlling shareholders who are present at the GMS.

PMTHMETD I shall be concluded 2 (two) years after EGMS approving PMTHMETD I is conducted. Furthermore, the Company may only be able increase a maximum of 10% (ten percent) of the fully issued and paid-up capital of the Company as of date of this Amendment and/or Additional Information Disclosure.

The exercise price of New Shares PMTHMETD I will refer to Appendix I to the Decree of the Directors of PT Bursa Efek Indonesia No. Kep-00101/BEI/12-2021 regarding Amendments to Regulation Number I-A regarding the Listing of Shares and Equity Securities Other Than Shares Issued by Listed Companies on 21 December 2021. The exercise price of the New Shares of the Company is at least 90% (Ninety percent) of the average closing price of the Company's shares trading on the Exchange for 25 (twenty-five) consecutive Exchange Days on the regular market prior to the date of additional share listing resulting from PMTHMETD I to Exchange being submitted.

In the issuance of New Shares from PMTHMETD I, the shareholders of the Company may grant power of attorney and authority to the Board of Commissioners of the Company with substitution rights to declare the realisation of the issuance of share by making amendments to the provisions of articles of association of the Company.

#### **E. Capital Structure and Shareholders Composition Before and After the Implementation of the Proposed PMTHMETD I**

In connection with PMTHMETD I, the Company will to issue a maximum of 10,799,541,990 shares or a maximum of 10% (ten percent) of the number of shares that have been issued and fully paid up or paid-up capital as stated in the amendment to the articles of association which has been notified and accepted by the authorized Minister on the date of the EGMS announcement, which will be issued from the Company's portfolio shares with a nominal value of Rp per share.
